

NEICSC is a place to help grow in your faith in Jesus Christ and discover God's will for your life.

Focusing on the Future

NEICSC has gone through some dramatic changes in the last eight years. From a yearly inspection of the kitchen by the Blackhawk County Health Department to a new deep well and a new waste water treatment system. These were needed to keep the camp operational.

In moving the camp forward into the future, the Board of Trustees has approved a 5-Year, 3 Phase plan for the construction of a new complex. The first phase is a new dorm with a new storm shelter below it, which will also be future classrooms.

The vision is to have the camp available for year-round use. The new dorm is the first step in making that vision a reality.

Our Mission:

To win people of all ages to Christ and build them up in their Christian faith and life.

Northeast Iowa Christian Service Camp had its beginnings in 1962 when a group from several northeast Iowa Churches of Christ/Christian Churches came together with a vision for a summer camp for their youth.

The first camp was held on June 22, 1964. 53 years later, NEICSC continues serving the youth of Christ's Church and people of all ages through the teaching and preaching of His Word.

By raising the standard and availability of the facilities, NEICSC will be able to further the mission of the camp.

Raising His House

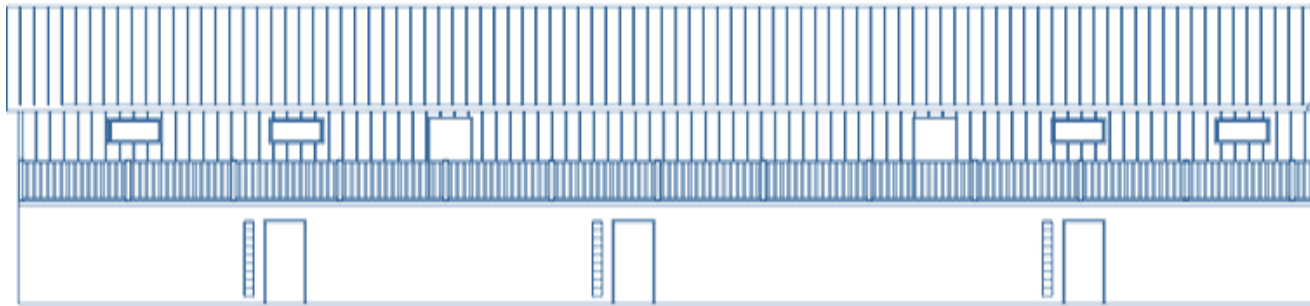

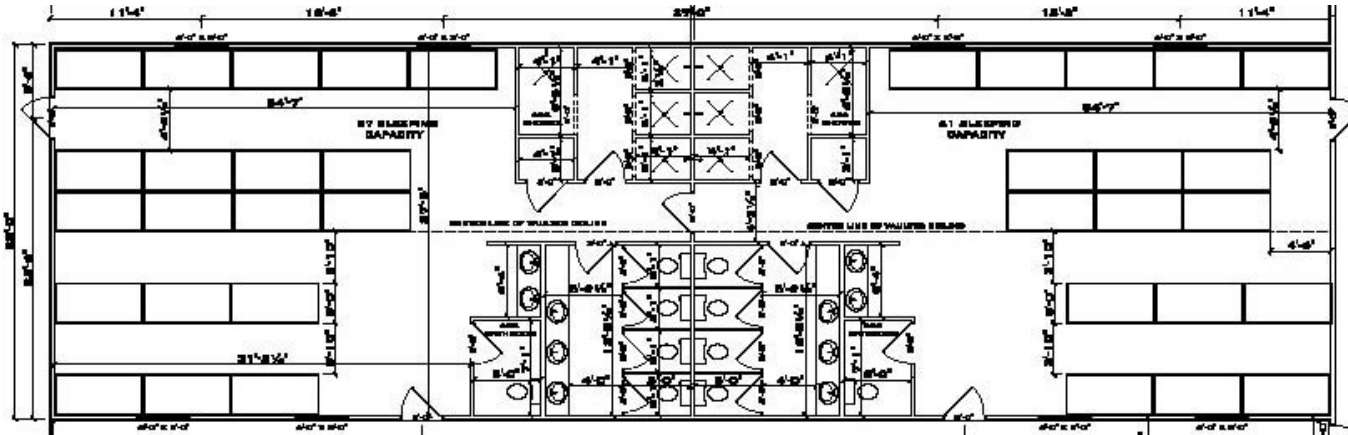

For the training of the saints as servants in the church, for the building up of the body of Christ (Ephesians 4:12)

This Capital Campaign is to replace the current boy's dorm with a heated and air-conditioned, year-round dorm, which is capable of housing both boys and girls separately
