My name is Jason Miner. I am currently the lead preaching minister at Mason City Church of Christ. I have been serving in this role since 2012 and before this I served from 2008 to 2012 as the youth minister. I am passionate about my faith and believe that the only life that is worth pursuing is one found in Jesus Christ. As a father of 4 girls I am committed to the development of such a devotional life in them as well as all other kids I have a chance to minister to. My number one goal at every camp that I serve at is to love on the kids there through prayer and action. May God be glorified in this coming summers camps and may your children learn to glorify Him more from the service of all the deans and staff here.
