

A MESSAGE FROM SOPHOMORE JUAN SALAS

I grew up in Iowa with a single mom and an older sister. When I was in high school, thanks to meeting several Ozark camp team members at Northeast Iowa Christian Service Camp (NEICSC), OCC was high on my list of potential colleges. Every summer, I saw the Ozark camp teams' passion for ministry, and I knew that Ozark deserved my consideration. The summer after my senior year, I finally officially decided to attend OCC, and I'm so glad I did.

I plan to one day be a part of a camp ministry. Whether as a camp director or as someone who sits on an executive board, I want to be involved with a Christian camp, because camp is where I first saw the need for Jesus in my own life. I love the importance of camp and the impact that camp speakers have on students every year.

Without your support, I would not be able to go to Ozark and further my education in Christ. I am thankful for you and everyone else who donates each year to this school. There are students here who will someday do great things in ministry, and your investment in us is helping to bring that about. Thank you!

**We can't thank you enough for your support of OCC.
Your partnership makes a difference for students like Juan...
and a difference for eternity!**

Merry Christmas!
