

The rainbow is the sign of a promise that God made with us long ago. It is also a sign for those who have given to the Capital Campaign to build the new dorm and classrooms. If you wish, your name or dedication will be displayed on the Rainbow Donor Recognition Board.

The most important part of a building is the foundation. The major givers in this campaign are at the bottom because your gifts are the foundation of the project and are needed to build the future of the camp.

Thank you for your gift and for helping make this a reality.
