# END OF YEAR ROOFING CAMPAIGN

JOIN US IN REACHING OUR \$25,000 GOAL BY DEC 31ST!

A few months back we started redoing several of the roofs within the camp grounds, like the Chapel Inn and Dean's Cabin. These alone cost \$10,000. Along with these buildings, we have two others that need steel roofing. We need your help in reaching our \$25,000 by December 31st, to make these projects possible.
