January - 2026

## Newsletter

Greetings Church...

Hard to believe it is 2026 already. Just had a conversation with a lady the other day talking about the concept of time. I remember my grandma telling me of her grade school days in the 1930's. Once in a while the teacher would make a reference to the year 2000. Grandma said that the idea of the year 2000 seemed like a fantasy. Then 2000 came and she was alive to see it happen. In fact, she made it until 2019 before she went home to be with the Lord.

The idea of time is strange when you think about it. We have come to describe time in different ways. Sometimes... time flies. We wonder where did the time go. It came and went so quickly. At other times... time drags on. At the end of a long work day or school day you stare at the clock feeling like it is barely moving. Then there are other times when we get together with an old friend that we haven't seen in a few years and pick up the conversation as if no time has passed at all. Time is strange indeed.

God is the One who created time. The One who is eternal created a system of beginnings and endings. We live within this system and it is what we are familiar with. Think about it... we wake up/then go to sleep; we start a meal/then finish; start a book/finish the book; we are born/then we die; and so on. Yet, God invites us to join Him beyond time. He offers us eternal life with Him. However... eternity seems strange to me. I get the concept of it, but trying to grasp the reality of forever and ever without end... that is difficult to process. Why? Because I live in the system of beginnings and endings. I imagine you have thought about this too at some point.

Well, having said all that. Camp season will be here soon. I simply ask that you be in prayer for Northeast Iowa Christian Service Camp. Pray for the campers who will attend, the dean's who are planning their camp weeks, the faculty that will offer personal time to invest in the lives of our campers, the speakers who will be sharing the gospel message, and the staff (cooks, nurses, summer staff). Pray that God will move people, younger and older, toward His eternity, while they spend a short time here at camp.
